

Autocross Guide

Join us for a Historic and incredibly unique event, as we legally shut down a section of interstate and do some Autocross on the highway! Whether you are joining us as a Motorsport Fan, an event team member, or a driver, we are excited to have you in Beautiful Manchester! Visit Backroads of Appalachia on Facebook for more info if you want to register! The Paddock for drivers will be at EKU. Ages 16 and up, with a parent's waiver, can enter and practice the skill of precision driving. The event is Pre-Registration only.
